

# **The Wings Seminars 2018 Leadership Intern Program**

***“I applied for the Internship wanting to give love, service and integrity...and I have received all three.”***

***Michael Frazier, Wings Intern 2004***

## **THE WINGS INTERNSHIP**

The internship is a structured learning program that covers one year and parallels LifeWorks. Learning happens in the seminar room, in training evenings, and in job responsibilities managing some of Wings' behind the scenes operations.

## **HOW THE WINGS INTERNSHIP BENEFITS YOU**

Becoming a Wings Leadership Intern is a commitment to your own learning, personal vision, and personal empowerment. You will gain greater self-awareness, become a master communicator, deepen all your relationships, and have the time of your life while being in service to Wings and the LifeWorks participants.
