

Workforce Training

Engaged professionals who feel supported in their work stay in their roles longer and meet workplace challenges and opportunities. La Clinica offers community workshops designed to build and strengthen skills in leadership, resiliency, communication, critical thinking, and emotional intelligence. Group discounts and payment plans are available.

InSight 1

Jan. 25-26 and Feb. 1-2 or April 19-20 and 26-27 • \$850

Strengthen your communication and social engagement skills and develop greater confidence in professional settings through interactive skill-building activities, goal setting, and practice sessions. *(Online course)*

Fundamentals of WorkLife Success

March 29, May 24, July 26, Sept. 20, or Nov. 1, 2022 • \$125

In one day, build resilience, strengthen your engagement skills, and define your personal goals to succeed in your professional life. Develop the tools to keep you learning and thriving in your work life. *(Online course)*

Authentic Leader

April 12-15 and May 3-6, 2022, or Oct. 3-6 and Nov. 15-18, 2022 • \$3,395

Create leadership excellence in this small group workshop designed for professionals interested in taking their skills to a higher level. Gain knowledge and feedback from experienced leaders and develop your own leadership style and executive presence. This workshop is offered over eight intensive days in two segments one month apart to support you in developing and practicing new skills. *(In person in Medford, OR)*

Healthcare Interpreter Training

March 7-16 (in person); Saturdays June 4-Aug. 6 except June 11 and July 12 (online) • \$795

Prepare to be a certified or qualified bilingual interpreter in this 60-hour training. You will leave the training prepared to take the Oregon Healthcare Interpreter exam. *(Online or in person in Medford, OR)*

Essential Practices of Equity and Agility

April 9 and May 21, 2022, or Sept. 12 and 26, 2022 • \$125

Strengthen your understanding of the basics of equity, diversity, and inclusion in a supportive setting. Learn to identify bias and respectfully engage with others through facilitation by experienced trainers. *(Online)*

Equity and Agility

July 29-31, 2022, or Nov. 28-30, 2022 • \$295

Explore your own experience with bias and learn skills to create connection with people whose identities are different from yours. Learn skillful vulnerability and tools for difficult conversations as you deepen your capacity to be engaged in issues related to equity and diversity. *(In person in Medford, OR)*
